## La Porte License Branch Reopens

### FOR IMMEDIATE RELEASE

October 31, 2014

**INDIANAPOLIS** – Don Snemis, Commissioner of the Indiana Bureau of Motor Vehicles (BMV), announced today that the La Porte License Branch has reopened and is offering full services.

“Safety for our staff and customers is of the utmost importance and I believe that sufficient repairs and cleanup have been completed in order for the branch to reopen,” said Snemis

The La Porte License Branch suffered serious damage during a fire last Sunday morning, but was able to provide reduced services while repairs were made to the branch.

In addition to using nearby branches, La Porte residents can complete transactions online at [www.myBMV.com](http://www.myBMV.com), over the phone at 1-888-692-6841 or by using the BMV’s smart phone applications.
