## BMV Announces Nappanee Branch Closure

INDIANAPOLIS - Indiana Bureau of Motor Vehicles Commissioner Joe B. Hoage announced today he approved the proposal to close the Nappanee branch. The last day of operation for Nappanee is Oct. 28, 2022.

The BMV is committed to providing options for residents to complete transactions and is actively engaged with city officials to identify a location to install a BMV Connect kiosk in Nappanee. This will be the agency's first standalone kiosk located outside of a branch, government building, or grocery store. The service will provide Nappanee residents easy access to complete more than a dozen of the most common transactions.

"I am pleased to have this opportunity to collaborate with Nappanee city officials and ensure residents have options for doing business with the BMV," said Commissioner Hoage. "It is never easy for us to make the choice to close a branch, however, as Hoosiers choose to conduct their transactions online and at kiosks more and more often, it is critical for the agency to respond and adapt to those trends."

Six additional branches are located within a 27-mile radius of Nappanee including Elkhart, Goshen, Mishawaka, Plymouth, South Bend, and Warsaw. In addition to in-branch services, the locations in Elkhart, Goshen, Mishawaka, and South Bend also offer services through kiosks.

For a complete list of branch locations and hours, to complete an online transaction, or to find a 24-hour BMV Connect kiosk near you visit [IN.gov/BMV](https://www.in.gov/BMV).
