Request for Administrative Review - Variance 15-10-49

Dear Pam:

On behalf of the owner, this letter is a petition for review to the Fire Prevention and Building Safety Commission regarding the denial of Variance 15-10-49. The variance to deny was based upon the alleged failure to “maintain or increase the current degree of public safety, health, and general welfare” for the proposed change of occupancy project.

Thank you for your attention to this matter. If you have any questions, please let us know.

Very truly yours,

RTM Consultants, Inc.
