Search for Certified Professionals

The ICC Certification Search contains information on individuals who may be currently certified with the International Code Council, but is not the official record. Certificates should be verified through viewing the original certificate issued by ICC to the individual or by using the search function below. To maintain the currency of ICC certificates, individuals must renew these every two to three years through retesting or professional development activities. Full details on certificate renewal requirements are found in the [Certification Renewal web pages](#).

This registry also contains certificates of state, regional, and affiliated associations which are sponsored by ICC.

ICC policy is to maintain the privacy requests of its members and constituents. If your listed information is incorrect, please notify ICC. If you prefer that detailed address and telephone information be included in your listing, please provide ICC with written notice which authorizes this action.

Terms of Use: This listing is provided as a service to the constituents of ICC for the purposes of locating a certified professional or contractor in your area, or confirming status for individuals. Any other use, sale, transfer, or reproduction in any form without the express written consent of ICC is strictly prohibited.
