

Criminal/Drug Interdiction Techniques & Concealment Locations

Instructor: Greg Goltz

Greg Goltz is a 28-year veteran trooper with a large Midwest state police agency. He is the instructor for his agency in Criminal Interdiction/Patrolling and has instructed Criminal Interdiction/Patrolling to thousands of law enforcement officers and their agencies from all over the United States. Greg is a veteran Police Service Dog handler, Firearms Instructor and Troop C Team Leader for SWAT. He also worked very successfully in undercover operations purchasing illegal drugs of all kinds. While working in the Uniform Division he has seized millions of dollars in United States currency and literally thousands of pounds of contraband all while making normal traffic stops that he turned into Criminal Interdiction arrests. He created his own business known as CRIMINAL addiction Inc. and now travels all over the United States putting on seminars about these topics with courses labeled: Criminal/Drug Interdiction Techniques and Concealment Locations and Hidden Compartments and Other areas of Concealment. He is a declared Expert witness in both the State and Federal court systems and actively testifies about this subject matter. He has received numerous awards for his Interdiction efforts and the training he provides, and currently has several "record size" seizures. He also has made presentations about this subject matter to several Governors. Greg is also responsible for very important case law that better enables officers to do this work including the now important United States v. Morgan, Walker, Jones. He still works the road in the Uniform Division and still actively pursues these criminals during his everyday encounters. He also still works with other officers who have had tremendous success using these techniques. Join him, as he wants to spread his knowledge of catching "bad guys" and learn firsthand from individuals who are out there every day working the "ins and outs" of criminal interdiction.

Course Objectives:

Students will see firsthand how Criminal Patrol Techniques can yield large and small drug and other type arrests from traffic stops and other legal contacts with people of society regardless of age, sex, race, gender or any other class or their designation. Officers will learn about the growing number of drugs they may see in their area and how to battle them. The students will learn how to put these legal techniques into place with these types of contacts after completing the class. Students will also learn of the incredible advanced concealment places in land vehicles that smugglers and other people involved with drugs hide the drugs, weapons and currency.

After Attending:

Each student attending will have been provided the instruction to:

- Learn the history of contraband saturation into the U.S. and how over time the trends and patterns have shifted
- Identify legal traffic stops
- Identify the conversational questions and concealed interviews during the encounter
- Identifying indicators
