INSTRUCTIONS: Address each of the following in a narrative form.

A. ORGANIZATION AND ADMINISTRATION

1. Describe your organizational structure including:
    a. Type of Organization
    b. Hours of Operation
    c. Corporations - Attach a copy of your Certificate of Existence for domestic Corporations as filed with the office of the Indiana Secretary of State.
    d. Non-Corporations – Attach authority to operate from the Secretary of State.
2. Provide a detailed description of your proposed service area. Include:
    a. A map depicting the proposed area to be serviced,
    OR
    b. Listing of all counties, townships, cities, and towns to be serviced, including territorial boundaries.

B. TRANSPORTATION

1. List all of your vehicles by year, make, model, and vehicle identification number.
2. List all locations where vehicles will be stationed.
3. Submit a certificate of insurance provided by the insurance company listing the vehicle identification number for each vehicle insured, the effective date, expiration date, and amount of coverage. Organizations operating vehicles owned by a governmental entity as defined in IC16-31-3-2, are not required to submit proof of insurance.
4. Submit a vehicle certification application form for each ambulance to be certified.

C. MANPOWER

1. Describe staffing patterns to be utilized by your organization.
2. Submit a completed personnel roster *(enclosed).*

D. PERSONNEL TRAINING AND CONTINUING EDUCATION

1. Describe the organization's continuing education program. Include:
    a. Continuing education record keeping
    b. Hours of continuing education offered through the organization.

E. COMMUNICATIONS

1. Describe the organization's communication system. Include:
    a. Tactical frequencies,
    b. Dispatch procedures, and
    c. Location of dispatch center.
2. Attach a copy of your tactical and FCC license.
    *If functioning under another provider's license, submit a copy of the license AND a letter from the license holder granting authorization to transmit under that license.
3. Describe the UHF Communication system.

F. DATA COLLECTION

1. Describe the organization's method for collecting and reporting data to the Indiana EMS Registry, and include where records are kept.

G. RECORD KEEPING

1. Describe the organization's record keeping system AND attach copies of all forms for the following areas:
    a. Patient Care
    b. Continuing Education
    c. Audit and Review
    d. Maintenance
        i. Vehicle
        ii. Equipment
    e. Equipment Checklist

H. AUDIT and REVIEW

In accordance with EMS Commission Rule 836 1-2-3(o), and 836 1-11-3(k), each ambulance service and BLS Non-Transport and EMT Basic-Advanced provider organizations must provide a program for audit and review.

1. Describe the approved Audit and Review method being utilized by your organization.
    a. How are run forms chosen for the audit process?
    b. List by title and name those who participate in your audit and review process.
    c. Who is responsible for conducting your audit and review process?
    d. How often is your audit and review conducted?

Name of provider	Certification number

INSTRUCTIONS: Address each of the following in a narrative form. (continued)

I. VEHICLE AND EQUIPMENT CHECK

1. Describe the organization's procedure for checking emergency care equipment and supplies.
2. Describe how your organization maintains the mechanical integrity of its equipment.
3. Describe the organization's rigid sanitation procedures for the equipment.
4. Describe the organization's procedure for maintaining vehicle integrity.

J. MEDICAL CONTROL

1. Submit a completed medical director approval form. *(enclosed)*
2. Submit a copy of protocols that have been approved, signed and dated by the medical director.

K. MEDICATIONS

1. Describe the method of distribution, replacement, storage, and security of medications and solutions approved to be carried on board your emergency response vehicles.
2. Attach a list of medications to be carried on board your emergency response vehicles, that have been approved, signed, and dated by the medical director. Please include minimum quantity and dosages.

L. SUPERVISING HOSPITAL APPROVAL

1. Submit a copy of the contract with the supervising hospital, or interdepartmental memo, if hospital based. If more than one (1) hospital supervises the service, submit a copy of the agreement between hospitals that ensures consistency in medical control.
2. Submit a letter from the supervising hospital stating the acceptance of advanced life support personnel.

M. TACTICAL EMS

If your organization is conducting tactical EMS the following must be submitted. All written approvals, authorities, protocols, and acknowledgements shall be signed and dated.

1. Submit a narrative explanation that defines the activities of tactical medical support as a function of the provider organization.
2. Submit written documentation authorizing all involved advanced life support personnel to function in the capacity of tactical medical support personnel within the scope of practice of the provider's and the individual's certification.
3. Submit documentation that ensures the continuation, during patient transport, of advanced life support procedures that are initiated by the tactical medical support personnel transport for all jurisdictions to which the tactical medical support personnel can be reasonably expected to respond.
4. Submit medical director's written approval of the tactical medical support activity and approval of the individual personnel involved.
5. Submit medical director's written authority for any advanced life support devices or medications or both that are carried by the advanced life support personnel within the scope of practice of the provider's and the individual's certification or license.
6. Submit medical director's written authority defining when and under what circumstances the advanced life support personnel may carry the advanced life support devices or medications or both.
7. Submit medical director's written authority defining when and under what circumstances any advanced life support devices or medication or both may be used.
8. Submit medical director's written authority defining how the security of any controlled substances will be ensured.
9. Submit medical director's written protocol for emergency medical services procedures performed by the advanced life support personnel while performing as tactical medical support.
10. Submit from the chief officer of the participating law enforcement agency written acknowledgement that the provider organization's advanced life support medical personnel are functioning as tactical medical support for the law enforcement agency.
11. Submit a statement agreeing that all medical care rendered by the tactical medical personnel will be documented on the organization's standard patient care record.

Name of provider	Certification number

Disclosure of this information is mandatory. Failure to provide any information may prevent this application from being approved. Misrepresentation of information, failure to comply and maintain compliance with, and/or violation provisions, standards, or requirements may be cause for suspension or revocation.

This is to affirm that all statements contained in this application are true to the best of my knowledge. I hereby affirm have read and do understand the State of Indiana official rules and regulations for operations and administration of emergency medical services and/or advanced life support, and agree to strictly adhere to them.
