Section I: Program Description & Background

1.1 The Workforce Innovation and Opportunity Act

The Workforce Innovation and Opportunity Act (WIOA) was signed into law by President Barack Obama on July 22, 2014 and went into effect on July 1, 2015. The intent of WIOA is to strengthen the workforce system through innovation and alignment of services to promote individual and economic growth, meeting the business and industry needs in the area.

WIOA funds are awarded to the Chief Elected Officials (CEOs) of a Local Workforce Development Area (LWDA) to serve two primary customers—job seekers and businesses—through a One-Stop system branded as the American Job Center (AJC) system. One of the main purposes is to assist individuals with barriers to employment in increasing their access to employment, education, training, and support so they may succeed in the labor market.

Proposers are strongly encouraged to read the Department of Labor’s WIOA resource page for WIOA information and the latest updates: <https://www.doleta.gov/wioa>.

1.2 Northwest Indiana Workforce Board

The board works to determine current and future skill needs together with economic developers, employers, and economists. The LWDA is considered Region 1.

Vision: A Northwest Indiana workforce that is highly skilled, motivated, and diverse, earning sustainable or higher wages, and actively engaged in skill advancement and life-long learning.

Mission: To mobilize and integrate the leadership, services, and resources of the community to support workforce development This will be achieved by:

- Strategically planning and developing policy for workforce development
- Overseeing regional workforce development systems
- Developing and allocating resources for workforce development
- Participating in related economic development activities

More information about the following can be located on their respective websites:

- NWIWB: <http://gotoworkonenw.com/nwi-workforce-board/>
- Indiana Department of Workforce Development (DWD): <https://www.in.gov/dwd/>²

¹ In Indiana, full service one-stop centers are known by the name WorkOne, while smaller, more limited service offices are called WorkOne Express sites.

² DWD is the recipient of WIOA funds for the state of Indiana.

Bidders Questions

All questions that interested parties may have can be directed to the third-party procurement agent, TPMA, Kristopher Subler at: ksubler@tpma-inc.com. Questions must be submitted via email by March 15, 2019. Responses to questions will be posted by March 19, 2019 on the TPMA procurement portal website, <https://www.tpma-inc.com/nwiwb-procurement> along with other relevant information, including the RFP, attachments, procurement timeline, contact information, etc.

An entity's failure to submit a complete proposal or to respond in whole to RFP requirements will result in the proposal being deemed non-responsive and thus ineligible for funding. A proposal may also be deemed non-responsive if the submitted price is found to be excessive or inadequate as measured by criteria stated in the RFP, or the proposal is clearly not within the scope of the project described and required in the RFP. NWIWB reserves the right to cancel this procurement at any time, for any reason.

Appeals Process

Any disagreements resulting from this procurement process must be addressed in the same manner outlined in the appeals policy for monitoring disagreements, located at the following link:

<https://www.tpma-inc.com/nwiwb-procurement>

Fiscal Review

TPMA, in coordination with the NWIWB, will also conduct a fiscal review of all qualified proposals. We will review proposal budgets, agency audits, and responses to questions related to fiscal operations. The NWIWB reserves the right to review and request further information regarding the respondent's financial situation, if not sufficiently outlined in the submitted audit(s). The NWIWB reserves the right to assess the risk posed by any recent, current, or potential litigation, court action, investigation, audit, bankruptcy, receivership, financial insolvency, merger, acquisition, or other event that might affect an organization's ability to operate the requested program.

Past Program Performance

TPMA may review a respondent's performance on any previous and/or existing grant agreement(s) as well as check references submitted from other grantors. Achievement of grant agreement outcomes, along with compliance with programmatic and fiscal guidelines and timelines may be evaluated. The review team may perform an in-depth evaluation of all responsive proposals based upon the criteria herein. Prior to its final funding decision, the NWIWB may also: 1) meet with representatives of the

responding entity to discuss the proposed program and budget; 2) identify and/or negotiate program or budget changes the responding entity must make as a condition of funding; and 3) identify other documentation the entity must provide as a condition of funding; 4) negotiate numbers of adult, dislocated worker, and youth to be served.

Accessibility and Equal Opportunity

TPMA and the NWIWB is committed to equal access for all customers to all services. All contractors must ensure equal opportunity to all individuals. No individual in the Northwest Indiana region shall be excluded from participation in, denied the benefits of, or subjected to discrimination under any Workforce Innovation and Opportunity Act funded program or activity because of race, color, religion, sex, national origin, age, disability, English proficiency, sexual orientation, political affiliation or belief. All entities are expected to demonstrate full compliance with the Americans with Disabilities Act Amendments Act of 2008 (ADAAA) and all other equal opportunity laws. This includes ensuring contract staff receive accessibility training and may involve developing accessibility plans. All respondents must ensure all written materials and communications include the statement: "Reasonable accommodations and auxiliary equipment and services are available upon request."

Contract Award

The contract will be awarded based on the most responsive bidder whose offer is most advantageous to the NWIWB in terms of cost, functionality, past performance, and other factors specified in this RFP. The award may be negotiated at the discretion of the NWIWB or made on the basis of the initial bid/offer received, without discussions or requests for best and final offers.
