

# VIRTUAL INTERNSHIPS

80% 

According to The Indiana Commission for Higher Education

80% of employers prefer to hire students who have completed an internship.

Over the last year, Forbes 2016 Top 100 Companies indicated a 36% increase in virtual job listings. IT positions moved up four spots from number five to number one.

From *Forbes*, January 2016

# VIRTUAL INTERNSHIPS

## HOW IS A VIRTUAL INTERNSHIP DIFFERENT FROM AN ON-SITE INTERNSHIP?

### VIRTUAL INTERNSHIP

- Job responsibilities are performed remotely.
- Can begin any time throughout the year.
- Not limited by location—intern for any organization in Indiana.

### ON-SITE INTERNSHIP

- Job responsibilities performed on-site.
- Start and end dates are often tied to a semester schedule.
- Internship must be located within a realistic range for commuting.
