### Voter Registration, Change 1

**To:** Indiana's Workforce System  
**From:** Indiana Department of Workforce Development (DWD)  
**Date:** November 13, 2019

---

#### Purpose

To remind WorkOne staff of the requirement and procedures to offer voter registration to clients, and to provide the new IN DWD Voter Registration Information sheet and new Indiana Voter Registration Application (VRG-7) form. *Change 1* removes all references to Uplink, as this option is not currently available.

**Rescission** DWD Memorandum 2019-02 Voter Registration

**References** [The National Voter Registration Act of 1993 \(PL 103-31\)](#)

#### Content

The National Voter Registration Act of 1993 (NVRA) is a federal law designed to increase citizen's access to voter registration opportunities. DWD, in accordance with the NVRA, is designated as a voter registration agency. As a voter registration agency, DWD will offer voter registration services to persons applying for, recertifying, renewing or changing an address related to assistance and/or services provided by the agency. Voter registration will be offered at all WorkOne locations. This is to be done through WorkOne public access computers with a link to the Indiana voter registration website or paper applications (when requested). At the official website customers may register to vote, check and/or update their voter registration and find polling locations.

#### WorkOne staff **must**:

1. Ensure a link to the Indiana voter portal website (<https://indianavoters.in.gov/>) is on the desktop of each public access computer;
2. Ask each customer if they would like to register to vote or update their voter registration during their visit, and if so provide a copy of the DWD Voter Registration Information sheet (*Attachment A*);
3. Direct them to the link on one of the public access computers to register to vote or update their voter registration;
4. If a customer requests to use a paper application, provide a printed voter registration application (VRG-7, *Attachment B*) to the customer along with a blue or black ink pen;
5. Separate the voter registration application at the perforated line located in the center of the voter registration form, complete the date, name and residence address section in the bottom right corner and provide the top portion to the customer as a receipt;
6. Keep the bottom portion of the VRG-7 (this is the voter registration application) and place it in a secure location, as Personally Identifiable Information (PII) is contained on this part of the document;

7. Mail all voter registration applications to the appropriate county voter registration office (see page 2 of the VRG-7 voter registration application, *Attachment B*) every 5 business days<sup>1</sup>.

**WorkOne staff are prohibited<sup>2</sup> from:**

- Seeking to influence an applicant's political preference or party registration;
- Displaying any political preference or party allegiance;
- Taking any action or making any statement to an applicant to discourage the applicant from registering to vote;
- Taking any action or making any statement that may lead an applicant to believe that the decision to register or not has any bearing on the availability of services or benefits; or
- Requiring a registrant to mail in the voter registration application himself or herself or to discourage him or her in any manner from submitting the application to the agency.

**In addition to employment and education services, the Indiana Department of Workforce Development offers voter registration services at our WorkOne Offices.**

**Please let a staff member know if you would you like to apply to register to vote or update your voter registration here today.**

## Disclosures

Failure to advise staff of your decision is deemed a declination to register for purposes of receiving assistance in registration but is not deemed a declination to receive an application. Applying to register or declining to register to vote will not affect the amount of assistance that you will be provided by this agency.

If you register to vote, information submitted will be used only for voter-registration purposes. No information relating to a declination to register to vote may be used for any purpose other than voter registration.

You may request a paper voter registration application, should this be your preference. If you would like help in filling out the voter registration application form, whether the online or paper version, we will help you. The decision whether to seek or accept help is yours. You may fill out the application form in private.

If you believe that someone has interfered with your right to register or to decline to register to vote, your right to privacy in deciding whether to register or in applying to register to vote, or your right to choose your own political party or other political preference, you may file a complaint with the Indiana Election Division.
