Re: Memo 016
Subject: Recovery Residences- Increase in Funding

The purpose of this memo is to announce enhancements to the Recovery Residence funding category, which will go into effect as of August 2nd, 2021. The below changes will be added to the upcoming Recovery Works Policies and Procedure Manual which is set for release in September 2021.

Below is a summary of the upcoming changes:

- **Recovery Residence**
 - **Recovery Residence Funding Category Increase to \$8000**
 - Maximum lifetime allotment per participant
 - Recovery Residences must continue to have a titration system in place
 - **Peer Recovery allotment for Level 2 and 3 Recovery Residences**
 - Maximum allotment of \$250 per month. Lifetime maximum of \$2000
 - Service billed under Recovery Residence as a separate encounter.
 - Peer Recovery Services must be individual, groups may not be used.
 - **Recovery Residence per diem change for Medication acceptance**
 - Recovery Residence MUST accept all forms of medication, including all levels of MAT
 - ❖ Level II - \$9.00 per diem/per day
 - ❖ Level III & IV - \$10.00 per diem/per day
 - Recovery Works training partner will certify eligibility
 - Discretionary Fund can now be used for medication lock boxes

Sincerely,

Catrinka Prestly
Recovery Works Director
Division of Mental Health and Addiction
Family Social Services Administration
