When submitting proposal, the vendor must understand that the strategic plan should include a plan for all programs within the Mental Health & Wellness team and how they can best communicate their goals, strategies, and partnerships to avoid overlap and redundancies within DMHA and the state. Only agencies that are designated as non-profit or public entities are eligible to apply for these funds. Proposals must include a detailed plan including, but not limited to, the following:

- Estimated timeline of key events over the two-year contract period
- Detailed plan on how to identify all programs and needs at DMHA
- Detailed plan on how to engage diverse communities in identifying needs and priority areas
- Detailed plan on how to engage nation-wide trends and best practices in mental health
- Detailed plan on how to focus on mental health priorities while acknowledging how other teams (e.g. peers/recovery, prevention, etc) interact with the Mental Health & Wellness team priorities
- Detailed information on how the completed strategic plan can be comprehensive and digestible, as well as how it will be able to be tracked and updated
- Information on past experiences in writing strategic plans
