

Recovery Works

MISDEMEANOR PILOT PROGRAM

Recovery Works was established in 2015 as a voucher-based system to support partnerships between the criminal justice system and mental health and addiction treatment providers to reduce recidivism and encourage recovery. In December 2020, Recovery Works introduced a Misdemeanor Pilot Program designed to give individuals involved in the justice system a pathway to recovery.

We are expanding our current list of providers who will accept misdemeanor referrals, while also introducing an educational component for misdemeanor participants.

THE MISDEMEANOR PILOT PROGRAM 2

Pilot program designed to assist misdemeanor participants sentenced to complete sub-stance use educational courses. Currently, there are three providers available to provide services; however, we will look to expand provider eligibility in the future.

▶ 8-hour: One course

▶ 16-hour: One course

For the Misdemeanor Pilot Program 2, participants may take one class and the provider will be reimbursed for the course.

HOW PARTICIPANTS OBTAIN REFERRALS

▶ Misdemeanor Pilot 2 – Please contact the intended provider regarding how participants are referred.
