

Healthy Hoosiers Foundation

Overview

The Healthy Hoosiers Foundation (HHF) is a 501(c)(3) that was created by the Indiana General Assembly for the direct benefit of the Indiana Department of Health (IDOH). The Healthy Hoosiers Foundation embraces philanthropy to partner with the larger community to achieve shared goals. By inviting individuals, foundations, and corporations to support the mission of The Healthy Hoosiers Foundation through financial support we can target serious health issues facing Hoosiers.

Mission

The Healthy Hoosiers Foundation assists the Indiana Department of Health and its partners in improving the health and well-being of individuals and communities across Indiana.

Vision

A healthy and safe Indiana supported and sustained by thriving, engaged communities
