The All Payer Claims Database advisory board met virtually December 8, 2021, at 11:00 a.m. The Indiana Department of Insurance (“IDOI”) Commissioner Amy L. Beard called the meeting to order and instructed Chief Deputy Commissioner Alexandria Peck to call the roll. A quorum was declared present. Any additional attendees were asked to enter their name and organization in the chat box; none were entered. All board members participated through Microsoft Teams or Teams temporary application.

Commissioner Beard asked if the board members had received the minutes from the previous meeting and indicated she would entertain a motion to adopt. Brian Arrowood moved to adopt, and Candace Schaffer seconded. There was no discussion. The minutes from September 28, 2021, were adopted.

Commissioner Beard discussed the APCD Executive Director search. The IDOI interviewed both internal and external candidates for the position and selected Jonathan Handsborough. Commissioner Beard asked Mr. Handsborough to introduce himself, and he described his background as a database administrator and shared his vision for the APCD. Commissioner Beard informed the board that Mr. Handsborough’s contact information would be emailed to members after the meeting.

Commissioner Beard introduced Meghann Leaird, Health Oversight Manager at the IDOI, to update the board regarding the federal State All Payer Claims Databases Advisory Committee (“SAPCDAC”). Ms. Leaird discussed the SAPCDAC report and its 14 recommendations to encourage voluntary reporting by group health plans to state APCDs. Commissioner Beard informed the board that the report would be emailed to members after the meeting and encouraged them to read the report and provide recommendations regarding which practices should be adopted in Indiana.

Commissioner Beard presented nine questions for board members to consider and requested responses by December 22, 2021. Commissioner Beard explained that the IDOI was interested in board members’ opinions or expert advice, as one purpose of the board is to advise the Commissioner. Commissioner Beard discussed each question and indicated that if any board member had additional advice, they should contact Mr. Handsborough and Ms. Leaird, whose contact information would be emailed to members after the meeting.

Commissioner Beard updated the board on the Request for Proposals for a Database Administrator (“RFP”). The RFP was on track for release after December 31, 2021, in accordance with statute.

Commissioner Beard stated that the board would next meet in 2022 and that information about future meetings would follow.

There being no further business, the meeting was adjourned at 11:45 a.m.
