

ORDER 2013-199

**RATIFYING THE PREVIOUSLY AWARDED INTERIM WAIVER AND APPROVAL
OF THE DEBT ACTIVITY PROPOSED BY PENN NATIONAL GAMING, INC.**

Pursuant to IC 4-33-4-21 and 68 IAC 5-3-2, the Indiana Gaming Commission (“Commission”) reviews proposed debt transactions to analyze the financial health of casino licensees and to ensure that a casino owner’s license is not leased or hypothecated, and that money is not borrowed or loaned against a casino owner’s license.

The Commission has considered the following factors:

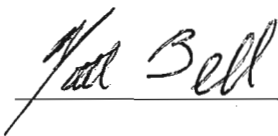

1. On or about August 23, 2013, Penn National Gaming, Inc (“Penn”), through counsel, requested Commission approval to undertake debt activity that would be subject to IC 4-33-4-21 and 68 IAC 5-3 regulation, along with a waiver of the applicable procedural requirements set forth in 68 IAC 5-3.
2. Penn explained the details of the debt activity in confidential documents to the Commission.
3. In accordance with Resolution 2008-74, after analyzing the proposed activity, consulting with Commission financial investigator Stephanie Berry, and receiving the requisite concurrence from Chairman Bell, Executive Director Ernest Yelton issued an interim approval and waiver of 68 IAC 5-3-2, via letter dated October 2, 2013.
4. Subject to certain enumerated and continuing conditions, the October 2nd, 2013 letter authorized Penn to close on the proposed activity without receiving prior approval from the full Commission and without satisfying the “two meeting requirement” of 68 IAC 5-3-2(b)(2) and (3).
5. Resolution 2008-74 requires that Executive Director Yelton’s interim approval and waiver be reported to the full Commission at the next business meeting held under 68 IAC 2-1-5. Additionally, 68 IAC 5-3-7 requires that such waiver be reported to the Commission in order that it may direct the Executive Director to take additional or different action.

Based on the foregoing, the Commission hereby **RATIFIES** the Executive Director’s October 2nd, 2013 interim approval and waiver letter.

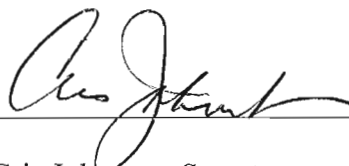

IT IS SO ORDERED THIS THE 21st DAY OF NOVEMBER, 2013.
