SETTLEMENT AGREEMENT

The Indiana Gaming Commission (“Commission”) by and through its Executive Director Sara Gonso Tait and SG Gaming, Inc. d/b/a Scientific Games (“Scientific Games”) (collectively, the “Parties”) desire to settle this matter prior to the initiation of a disciplinary proceeding pursuant to 68 IAC 13-1-18(a). The Parties stipulate and agree to the following:

FINDINGS OF FACT

1. 68 IAC 2-6-2 (a) requires that the following may not be used for gaming by any casino licensee prior to the executive director, or the executive director's designee, authorizing their inclusion in the commission's online database of approved items and technologies: (1) Electronic gaming devices and any component parts material to gaming activity, including, but not limited to, the following: (A) Random number generators. (B) All game media. (C) Progressive controllers. (D) Bill changers.
2. 68 IAC 17-1-3 provides a casino licensee, casino license applicant, or supplier licensee shall use the commission's electronic gaming device database as prescribed by the commission.
3. In accordance with 68 IAC 17-1-2(a) and 68 IAC 17-1-3, when shipping an item approved under 68 IAC 2-6-2, the supplier is required to provide the Commission with an accurate inventory of each item to be shipped and delivered, including each item’s identification code in the Commission’s Electronic Gaming Device System.
4. On August 20, 2020, a controlled shipment arrived at Blue Chip Casino. Upon inventory of the shipment, it was discovered that five (5) thumb drives were ordered but only two (2) were shipped. Additionally, the part number for the two (2) drives did not match the number on the Electronic Gaming Device system request.

TERMS AND CONDITIONS

Commission staff alleges that the acts or omissions of Scientific Games by and through its agents as described herein constitute a breach of IC 4-33, IC 4-35, and/or 68 IAC. The Commission and Scientific Games hereby agree to a monetary settlement of the alleged violations described herein in lieu of the Commission pursuing formal disciplinary action against Scientific Games.

Scientific Games shall pay to the Commission a total of \$1,500 in consideration for the Commission foregoing disciplinary action based on the facts specifically described in this Agreement. This Agreement extends only to those violations and findings of fact specifically alleged in the findings above. If the Commission subsequently discovers facts that give rise to additional or separate violations, the Commission may pursue disciplinary action for such violations even if the subsequent violations are similar or related to an incident described in the findings above.

Upon execution and approval of this Agreement, Commission staff shall submit this Agreement to the Commission for review and final action. Upon approval of the Agreement by the Commission, Scientific Games agrees to promptly remit payment in the amount of \$1,500 and shall waive all rights to further administrative or judicial review.

This Agreement constitutes the entire agreement between the Parties. No prior or subsequent understandings, agreements, or representations, oral or written, not specified or referenced within this document will be valid provisions of this Agreement. This Agreement may not be modified, supplemented, or amended, in any manner, except by written agreement signed by all Parties.

This Agreement may be executed in multiple counterparts, each of which shall be deemed an original agreement and both of which shall constitute one and the same agreement. The counterparts of this Agreement may be executed and delivered by electronic mail, facsimile, or other electronic signature by either of the parties and the receiving party may rely on the receipt of such document so executed and delivered electronically as if the original had been received.
