

**INDIANA GAMING COMMISSION  
CHARITY GAMING DIVISION  
FISCAL YEAR 2016**

Every qualified organization that holds a charity gaming license is required to file a financial report for each license. The statistics provided are based on financial reports which were submitted by licensed qualified organizations for events conducted during the state's fiscal year 2016 (July 1, 2015 through June 30, 2016). An organization cannot receive successive gaming licenses until it has filed a financial report for its previous event(s).

The following information is derived from Form CG-8 (Annual License Financial Report) and Form CG-9 (Single Event Financial Report) received during this fiscal year.

Some organizations may appear more than once on the following listings for any of the following reasons:

- An organization may hold more than one type of license at a time. An annual license is valid for twelve (12) months. An organization who holds one or more annual license is restricted to no more than three (3) events per week with not more than two (2) of the days being consecutive. The only exception is an Annual Raffle or Annual Pull Tab, Punchboard, Tip Board (PPT) license. These two licenses allow an organization to conduct specific activities each day at their facility.
- An unlimited number of single event door prize, guessing game, raffle, special bingo and water race licenses may be issued to an organization during the same year, as long as all required applications, financial reports, and fees have been received and approved by the Indiana Gaming Commission.
- An organization may also apply for and receive up to six (6) charity game night licenses and up to three (3) festival licenses during a calendar year.

Included in this year's annual report are three (3) National Organizations and one (1) National Foundation who held the Annual Comprehensive Charity Gaming License (ACL). Information regarding the ACL License can be viewed under IC 4-32.2-4-19, 4-32.2-5-29, 4-32.2-5-30, 4-32.2-5-31 and other areas throughout the statute.

An ACL License allows a National Organization or a National Foundation to become a Qualified Entity for the purpose of conducting charitable gaming in the State of Indiana. An ACL License allows approved affiliates of the National Organization or National Foundation to file an Affiliate Notification form to obtain approval to conduct their allowable raffle and/or door prize events in lieu of each affiliate applying for qualification status and obtaining individual licenses. At the conclusion of the affiliates raffle and/or door prize event, the affiliate is required to complete and submit Form CG-32, Event Summary Report, to the Charity Gaming Division while supplying the national organization or national foundation with a copy. The National or Foundation who holds the license is required at the conclusion of the annual license accounting period to combine all of the affiliate CG-32, Event Summary Reports into the Annual Comprehensive Financial Report, Form CG-30. This filing will determine the National or Foundation's license fee for renewing the annual comprehensive license.

Please visit our website and review documents such as Charity Gaming Statutes (Indiana Code 4-32.2), Charity Gaming Regulations (68 Indiana Administrative Code 21) and "License Types and Related Activities".
