

**INDIANA GAMING COMMISSION
CHARITY GAMING DIVISION
Fiscal Year 2020**

The FY20 Annual Charity Gaming Report will look different due to significant legislative changes enacted during the 2019 legislative session—specifically, House Enrolled Act 1517 (“HEA 1517”) and Senate Enrolled Act 393 (“SEA 393”).

HEA 1517 repealed IC art. 4-32.2 and replaced it with a reorganized, updated, and modernized charity gaming article, codified as IC art. 4-32.3.

SEA 393 allowed the Commission to issue an annual activity license for casino game night activities to certain bona fide civic organizations.

HEA 1517 and SEA 393 became effective July 1, 2019.

The statutory changes simplified the previous licensing scheme by reducing the number of license types while continuing to allow the same gaming activities authorized under the since-repealed IC art. 4-32.2.

The FY20 report will be a combination of the new and previous license types. As the old license types expire, reports going forward will only reflect the new license types identified in IC art. 4-32.3.

Every qualified organization that holds a charity gaming license is required to file a financial report for each license type held. The statistics provided are based on financial reports submitted by licensed qualified organizations for events conducted during the state’s FY20 (July 1, 2019 through June 30, 2020). An organization cannot be issued successive gaming licenses until it has filed a financial report for its previously-held event(s).

Some organizations may appear more than once in the following listings for any of the following reasons:

- An organization may have held more than one type of license during FY20. An annual license is normally valid for twelve (12) months. Under IC art. 4-32.2 (repealed), an organization who held one or more annual licenses was restricted to no more than three (3) events per week, with not more than two (2) of the days being consecutive. The only exceptions were an Annual

Raffle or Annual Pull Tab, Punchboard, Tip Board (PPT) License. These two licenses allowed an organization to conduct specific activities every day at their facility. Beginning July 1, 2019, an organization that held one or more type(s) of an annual license could apply for and receive a single Annual Activity License to conduct various types of charitable gaming activities under the same license.

- Under IC art. 4-32.2 (repealed), an unlimited number of single event door-prize, guessing game, raffle, special bingo and water race licenses may have been issued to organizations during the FY20, as long as all required applications, financial reports and fees were received and approved by the Indiana Gaming Commission.
- Under IC art. 4-32.2 (repealed), an organization was limited to apply for and receive up to six (6) charity game night licenses, and up to three (3) festival licenses during a calendar year. Similarly, under IC art. 4-32.3, an organization is limited to apply for and receive up to six (6) Single Activity Licenses for casino game night activities, and up to three (3) festival licenses during the calendar year.

This report includes gaming statistics submitted from six (6) National organizations and one (1) National Foundation who held the Annual Comprehensive Charity Gaming License (ACL). Information regarding the ACL can be viewed under IC4-32.2-4-19 (repealed), 4-32.2-4-20 (repealed), 4-32.2-5-29 (repealed), 4-32.2-5-30 (repealed), 4-32.2-5-31(repealed) and other areas throughout the statute. Under IC art. 4-32.3, the Annual Comprehensive Charity Gaming License was renamed the Annual Affiliate License (AAL). Information regarding the AAL can be viewed under IC 4-32.3-4-8.

An ACL or AAL allows a national organization or a national foundation to become a qualified entity for the purpose of conducting charitable gaming in Indiana. An ACL or AAL allows approved affiliates of the national organization or national foundation to file an Affiliate Notification form to obtain approval to conduct their allowable raffle and or door prize events in lieu of each affiliate applying for qualification status and obtaining individual licenses. At the conclusion of the affiliate raffle and or door prize event, the affiliate is required to complete and submit an Event Summary Report, to the Charity Gaming Division while supplying the national organization or national foundation with a copy. The national organization or national foundation who holds the license is required at the conclusion of the annual license accounting period to combine all of the affiliate event summary reports into the Annual Comprehensive Financial Report (renamed the Annual Affiliate Financial Report). This filing will determine the national organization's or national foundation's license fee for renewing the Annual Comprehensive Charity Gaming License or Annual Affiliate License.
