Mr. Michael Smith
Deputy Commissioner of Operations

Dear Mr. Smith:

We have completed our review of INDOT's Amendment #20-41 to the FY 2020-2024 Indiana Statewide Transportation Improvement Program (STIP) dated December 3, 2020 and revised on December 17, 2020 due to FHWA's comments. INDOT has re-demonstrated fiscal constraint, air quality conformity, where applicable, and provided opportunity for public comment and involvement on Amendment #20-41.

FHWA only recognizes years 2020-2023 in the STIP. Any projects and/or phases of projects added in years outside of 2020-2023 are considered illustrative, and thus ineligible for federal funding at this time.

FHWA considers this amendment to be in substantial compliance with the applicable requirements as sufficient to support a consistency finding for inclusion into the STIP.

Should you have any questions regarding this approval please contact Erica Tait at 317-226-7481 e-mail at Erica.Tait@dot.gov.

Sincerely,

For: Jermaine Hannon
Acting Division Administrator

Mr. Jermaine R. Hannon, Acting Division Administrator
FHWA Indiana Division
575 North Pennsylvania Street, Room 254

Dear Mr. Hannon:

The Indiana Department of Transportation requests the projects listed in STIP Amendment 20-41 to be incorporated into the 2020-2024 Statewide Transportation Improvement Program (STIP). Any projects and/or phases of projects added in years outside of 2020-2023 are considered illustrative, and thus ineligible for federal funding at this time.

The required Metropolitan Planning Organization (MPO) Transportation Improvement Program (TIP) documents have been included in this request and duly noted in the Amendment. We have determined that the proposed amendments are: 1) consistent with the transportation plan; 2) the TIP remains fiscally constrained in that federal funding resources are sufficient to support the new or modified projects; and 3) conform to state and national air quality standards.

The total dollar amount of this amendment is \$11,150,993 (for fiscal years 2020-2023), has been verified with FHWA.

We request your review and approval of the subject amendment. Should you have any questions pertaining to this amendment, please contact Michael McNeil, STIP Specialist at (317) 232-0223 or at mmcneil@indot.in.gov.

Sincerely,
