Re: FY2020-2024 Indiana STIP Amendment 20-62, dated February 23, 2022

Dear Mr. Nunnally:

We have reviewed the State Transportation Improvement Program (STIP) amendment request you submitted via correspondence dated February 23, 2022. This request adds projects pursuant to changes made to the Transportation Improvement Program (TIP) for the:

- Kokomo and Howard County Governmental Coordinating Council (KHCGCC)

The amended TIP has been endorsed by the appropriate Metropolitan Planning Organization. The projects listed in the attached table are eligible for FTA funding.

We have determined that the amendment to the TIP and STIP are financially constrained and consistent with the relevant MPO and statewide transportation plans. The projects were developed in accordance with the requirements of 23 CFR 450, and are exempt from the air quality conformity determination process. The project additions are approved for the FY2020-2024 STIP.

If you have any questions concerning this STIP amendment approval, please contact Cecilia C. Godfrey at (312) 705-1268.

Sincerely,

Jay Ciavarella
Director, Office of Planning & Program Development
