Re: FY2022-2026 Indiana STIP Amendment 22-05, dated May 3, 2023

Dear Mr. Nunnally:

We have reviewed the State Transportation Improvement Program (STIP) amendment request you submitted via correspondence dated May 3, 2023. This request adds projects pursuant to changes made to the State Transportation Improvement Program (STIP) for the:

- Indiana Department of Transportation (INDOT)

We have determined that the amendment to the STIP is financially constrained and consistent with the relevant statewide transportation plans. The projects were developed in accordance with the requirements of 23 CFR 450 and are exempt from the air quality conformity determination process. The project additions are approved for the FY2022-2026 STIP.

If you have any questions concerning this STIP amendment approval, please contact Cecilia C. Godfrey at (312) 705-1268.

Sincerely,

R. Stewart McKenzie, AICP
Director, Office of Financial Management & Program Oversight
